

Dear Friend of Coral Gables High School,

Coral Gables High School is a Nationally Certified Magnet School, with a 95% IB diploma pass rate and a 99% graduation rate. Our students benefit from rigorous academic programs, career academies, athletics, the arts, and dozens of extracurricular opportunities. We are proud to serve nearly 3,000 students from our community each year.

Behind every achievement is a young person discovering what they are capable of. Their potential is extraordinary. The resources available to a large public school, however, are not unlimited. That is why the Coral Gables High School Parent, Teacher and Student Association (CGHS PTSA) is asking local businesses, alumni, families, and community leaders to lend your support and become *Community Partners*.

Your sponsorship will help provide resources, student support, and opportunities that public funding alone cannot always provide. This is more than a donation. **It is an investment in nearly 3,000 young people who are growing up in our community and will one day help shape its future.**

We hope you will join us as a **2026 – 2027 Community Partner** and help create even more opportunities for every Cavalier. *Gables is more than a school - it is a community. And our school is stronger when our community comes together.*

We thank you in advance for your consideration and generosity

With sincere gratitude,

Raynah Remedios

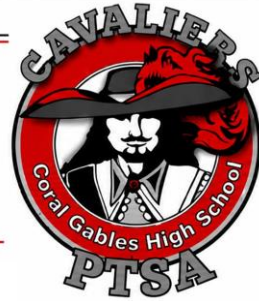

President
